

EXPLANATION ABOUT THE NOTARIZED PARENTAL CONSENT FORM

WHO NEEDS IT?

Any minor (someone who has not reached their 18th birthday) who is participating on a mission project *without both parents** must have a “**Notarized Parental Consent Form**” signed, notarized and kept in their possession at all times (along with their other travel documents.) Open Team volunteers should send a **second original notarized form** to Maranatha Volunteers International one month before the project departure. Group Project volunteers should send their **second original notarized form** to their group leader one month before the project departure.

WHAT IS IT?

The “**Notarized Parental Consent Form**” is a one-sheet form, printed on both the front and back sides. It indicates the parents’ permission for several items pertaining to their child participating on the mission trip. This document has two sections, plus the notary public information.

- 1. Medical Appointee Plan:** Indicates the parents’ permission for either of two other adults to make healthcare decisions on behalf of the minor, if needed. “Appointee #1” is the accompanying parent or designated adult. “Appointee #2” is the mission project coordinator. **All blanks in this section must be filled in.**
- 2. Permission to Travel Agreement:** Indicates both parents’ permission for the minor to travel to country/ies listed, during the dates listed. **All blanks in this section must be filled in.**

Both parents must sign the “**Notarized Parental Consent Form**” in the presence of a notary public and have it stamped. In some cases, both parents cannot sign the form. When one of the following situations applies to the minor, the additional documents listed to the right should accompany the “**Notarized Parental Consent Form.**”
