

The Seventh-day Adventist Perspective

Prepared by James A. Ayars

All Seventh-day Adventist truths and perspectives revolve around or derive directly from the Person and Work of Jesus Christ.

John 5:39 (NLT) “You search the Scriptures because you think they give you eternal life. But the Scriptures point to me!

Luke 24:25-27 (NLT) ²⁵ Then Jesus said to them, “You foolish people! You find it so hard to believe all that the prophets wrote in the Scriptures. ²⁶ Wasn’t it clearly predicted that the Messiah would have to suffer all these things before entering his glory?” ²⁷ Then Jesus took them through the writings of Moses and all the prophets, explaining from all the Scriptures the things concerning himself.

Christ, His character and work, is the center and circumference of all truth, He is the chain upon which the jewels of doctrine are linked. In Him is found the complete system of truth.
